Senior Lecturer in Software/Telecommunications Engineering

Full Time

Melbourne Institute of Technology (MIT) is a leading private higher education provider with a network of campuses in Melbourne and Sydney. We provide Business, Accounting, IT, Engineering (Telecommunications) and Networking programs, at Diploma, Bachelor and Master Degree levels to Australian and International students.

With a commitment to provide high quality educational programs with professional career outcomes, and a strong, diverse group of learners and teachers, MIT offers an excellent opportunity for a suitably qualified academic to utilise their experience and expertise in an exciting learning environment.

The position is responsible for academic leadership including coordinating and teaching Software Engineering units, program development, administration, overseeing quality assurance and fostering continuous improvement in teaching and learning in Software Engineering and related disciplines in the Sydney campus of MIT. The successful applicant will play a significant role in guiding and developing academic programs in accordance with the institute’s strategic direction. The role will contribute to improving student learning outcomes and to producing outstanding graduates.

Required Qualifications and Experience

Doctorate in Software/telecommunications Engineering or related disciplines is mandatory. A record of achievement in teaching and learning in the software engineering discipline in graduate and postgraduate courses. A demonstrated capacity to play a leading role in academic program management and coordination at the School level is essential.

Full details of the position requirements are provided in the position description available at: http://www.mit.edu.au/about-us/jobs-mit

Applications addressing the position requirements with resume including 3 referees should be forwarded to: Head of School, Associate Professor Johnson Agbinya, Level 6, 288 Latrobe Street, Melbourne 3000 or by email to: hrm@mit.edu.au

For further information contact the Head of School via email at jagbinya@mit.edu.au

Equal Opportunity and Privacy of personal information is MIT policy. For more details visit www.mit.edu.au. MIT reserves the right to fill the position prior to the closing date if a suitable candidate is identified earlier.

Closing date: Sunday, 20 May 2018
