Orientation Program

A warm welcome to Melbourne Institute of Technology (MIT) Sydney Campus!

At MIT, we pride ourselves on providing all our students with more than just an educational experience. By working together, we can achieve great things and create a launchpad for innovation, progress, and positive change. We do this by providing:

- Real-World Curriculum: We gear you up to tackle real-world challenges with confidence and competence.

- Dedicated Student Support: Our devoted team including our Graduate Careers staff, are always available in person, by phone or by email, and are ready to assist you through every stage of your journey.

- Exceptional Career Outcomes: Our graduates outshine the national average with 75.4% securing full-time employment within four months of graduation (Quality Indicators for Learning and Teaching 2022).

- Work Integrated Learning: You will experience learning beyond the books, with hands-on industry exposure seamlessly incorporated into our curriculum.

- With global demand for tech and business professionals expected to surge by 12% by 2025, your journey to your extraordinary future starts at our Orientation Careers Fair. Do not miss this opportunity to meet with organisations offering a range of options including employment pathways, voluntary work, vacation work and Internships and get careers advice from the experts on post-study work rights.

I look forward to meeting you at the start of your journey with us during Orientation where we begin planning your bright future together.

For more information on the CoL, simply login to Moodle , go to 'My Courses' and select 'Centre of Learning'.

Peer Mentoring Program

At MIT we understand sometimes you might feel more comfortable seeking one-to-one coaching on a unit of study from a peer rather than additional support from your lecturer.
