Classification: Level B/C – depends on experience

## ABOUT US

Melbourne Institute of Technology (MIT) is a leading private Institute of Higher Education with campuses in Melbourne and Sydney. We provide courses in Business Analytics, Marketing, Business Research, Accounting, and Management at bachelor's and master's degree levels, to domestic and International students.

### The Role:

We are seeking qualified and experienced casual Research Supervisors for our **Sydney & Melbourne** campuses. As a MIT Research Supervisor, you will guide postgraduate students through their Master of Business Research thesis, ensuring high academic standards are met while fostering a collaborative learning environment. You will also contribute to teaching in research methods coursework units.

We are inviting expressions of interest from suitably qualified and experienced researchers in the following disciplines:

- ? Business Management
- ? Business Analytics
- ? Accounting
- ? Marketing
- ? Finance
- ? Management

Multiple roles Commencing March 2026 are available in the **Sydney/Melbourne** campus, located in easily accessible CBD locations.

Commitment is five [5] hours per week on campus for face-to-face research supervision.

The appointment will be based on qualifications and experience.

## REQUIRED QUALIFICATIONS & EXPERIENCE

- ? A PhD or doctoral degree in a related business discipline
- ? Research active in the last 5 years
- ? Prior research supervision experience.
- ? A strong understanding of research methods and analytical tools including SPSS and NVivo.
- ? Excellent communication, and well-developed interpersonal, written and verbal skills.
- ? Knowledge of human research ethics and general research protocols and experimental design.
- ? Advanced time management, organisational and problem-solving skills, including the ability to meet deadlines.

Position details of are provided in the position description available at: <https://www.mit.edu.au/about-us/jobs-mit>

### **Apply**

Applications must include an updated resume with 3 professional referees.

Applications close on **18<sup>th</sup> March, 2026**

*MIT reserves the right to close applications early if a suitable applicant is identified prior to application close date.*

*Melbourne Institute of Technology is committed to equality, diversity and inclusion. As an equal opportunity employer, and a leader in gender equality, we encourage and welcome applications from a diverse range of backgrounds and people.*
