[Senior Lecturer Business Management & Marketing Job in Sydney NSW - SEEK](#)

Sydney Campus

Part-time

About MIT

Melbourne Institute of Technology (MIT) is a leading Private institute of Higher Education with campuses in Melbourne and Sydney. We provide courses in business analytics, marketing, business research, accounting, management, IT, networking, data analytics and engineering at bachelor's and master's degree levels, in addition to masters by research degrees.

The Role:

The School of Business at the Melbourne Institute of Technology (MIT) invites applications for a Part-time Senior Lecturer position, based at our Sydney campus, with the following discipline expertise.

- Marketing and digital marketing
- Management and leadership
- Innovation and sustainability
- Entrepreneurship
-

Using software including, Midjourney, Canva, HubSpot & DALL-E 3

The appointee will be a pivotal member of the school, involved in teaching, research supervision, and academic coordination. The appointee is expected to excel in academic leadership, fostering a stimulating, collegial, and well-managed academic environment. The appointee will provide exemplary teaching and leadership that aligns with MIT's high standards.

The appointment would be at a minimum Level C, based on qualifications and experience.

Responsibilities:

- Curriculum design & delivery: lead in identifying, designing, and implementing cutting-edge curriculum, ensuring its relevance and excellence.
- Learning & Teaching: implement best practices in program delivery, assessment moderation, and continuous teaching quality improvement.
- Research Supervision: supervise masters' thesis students, lead research teams, collaborate for interdisciplinary research, and mentor junior academic staff in their research endeavours.
- Planning, policy development, and compliance: play an instrumental role in strategic planning, policy development, and ensuring adherence to academic policies and procedures. Must be familiar with HESF, AQF and TEQSA standards.
- Student engagement: enhance student educational experience, address student issues, and actively participate in the student-staff consultative committee.
- External relationships: forge and nurture relationships with higher education providers, alumni, professional associations, and industry groups.

SELECTION CRITERIA

- Mandatory – PhD or Doctorate degree in a related discipline
- Mandatory - A minimum of five (5) years of teaching experience at the tertiary level.
- Desirable - Graduate Certificate in Learning and Teaching in Higher Education or equivalent qualification in addition to the mandatory requirements listed above.
- Demonstrated exceptional verbal and written communication skills, as well as strong presentation skills.
- Online/eLearning and project supervision experience would be an advantage. MIT utilises Moodle.
- Recent industry experience is desirable.
