Position: Senior Lecturers – Business Analytics, Marketing
Location: Sydney Campus
Employment type: Full-time
School: School of Business
Classification: Level C – Academic (based on qualifications and experience)

Melbourne Institute of Technology (MIT) is a leading Private institute of Higher Education with campuses in Melbourne and Sydney. We provide IT, Networking, Data Analytics, Business, Accounting, Business Research and Engineering (Telecommunications) programs, at Bachelor and Master degree levels, to Australian and International students. MIT's major courses are accredited by relevant professional bodies such as Engineers Australia, the Australian Computer Society, Certified Practising Accountants Australia (CPAA), Chartered Accountants Australia and New Zealand (CA ANZ) and the Institute of Public Accountants (IPA) and the Australian Marketing Institute.

The Role:

We seek a dedicated **Senior Lecturers in Business Analytics** and **Marketing** at our **Sydney Campus**. The appointee will be a pivotal member of the School, involved in teaching, research, and academic coordination.

The appointee is expected to excel in academic leadership, fostering a stimulating, collegial, and well-managed academic environment. The appointee will provide exemplary teaching, research, and leadership that aligns with MIT's high standards.

The appointment would be at **Level C**, based on qualifications and experience.

Responsibilities:

- **Strategic Leadership:** Partner with the Head of School and executive management to heighten the Discipline's profile, both internally and externally.
- **Course coordination:** Coordinating and directing of courses.
- **Curriculum design & delivery:** lead in identifying, designing, and implementing cutting-edge curriculum, ensuring its relevance and excellence.
- **Learning & Teaching:** implement best practices in program delivery, assessment moderation, and continuous teaching quality improvement. Teaching load 8 hours/week.
- **Planning, policy development, and compliance:** play an instrumental role in strategic planning, policy development, and ensuring adherence to academic policies and procedures.
- **Student engagement:** enhance student educational experience, address student issues, and actively participate in the student-staff consultative committee.
- **External relationships:** forge and nurture relationships with higher education providers, alumni, professional associations, and industry groups.
- **Research & Scholarship:** collaborate for interdisciplinary research, and mentor junior academic staff in their research endeavours.

SELECTION CRITERIA

- A Doctorate (mandatory) in a related discipline is strongly preferred.
- Graduate Certificate in Higher Education (GCHE) Graduate Certificate in Higher Education (GCHE) or willingness to complete during probationary period
- Prior experience as a Level C Senior Lecturer.
- Demonstrated excellence in teaching and research.
- Prior course coordination experience.
- Demonstrated capacity to play a leading role in academic leadership
- Industry experience is desirable.
