I \_\_\_\_\_ am requesting a non-standard enrolment load based on

---

---

and have provided all available evidence in this application for consideration.

By submitting this application form **I understand and agree to the following:**

- ✓ I am applying for a reduced study load in accordance with the [MIT Enrolment Policy and Procedure](#).
- ✓ This is an application only, and subject to written approval by the Head of School.
- ✓ If I am permitted to enrol in a non-standard full-time study load, **I must enrol in all three trimesters in one academic year**, with the third trimester becoming a compulsory trimester to enable the completion of **120 credit points/1.0 EFTSL** in an academic year.
- ✓ International Students who do not meet the standard full time study load requirements, or do not follow this agreement may be subject to:
  - the Institute documenting the student's under enrolment and refusing an extension of their current CoE; or
  - cancellation of the student's enrolment for refusing to enrol in the required full time study load.
