

POSITION DESCRIPTION –SCHEDULE A

POSITION DESCRIPTION DOCUMENT PURPOSE

The purpose of this position description document is to provide you with a clear understanding of your role, and how that role fits within Melbourne Institute of Technology (MIT) as an organisation.

This document provides an outline of your key areas of accountability and desired outcomes from satisfactory performance of the role. It does not provide an exhaustive list of tasks and activities that are required to be performed to fulfil the role.

POSITION DETAILS

Position Title:	Student Administration and Experience Officer
School / Division:	Office of Student Administration and Experience (OSAE)
Classification	Educational Services (Post – Secondary Education) Award 2010
Employment Mode	Full Time
Campus:	Sydney
Reporting to:	Manager, Student Administration & Experience
Direct reports:	Nil

ROLE

The Student Administration & Experience Officer provides information and assistance to students over a range of areas that directly relate to the enhancement of student satisfaction, while strengthening their affinity with the Institute across the student lifecycle through a variety of channels including telephone, email, social media and face-to-face enquiries. These include but are not limited to student support services, alumni activities, organising and carrying out a number of student events throughout the year, educational and career related events/services, student recreational activities, accommodation and airport pick up services to international students, overseas health cover to international students; international student affairs including immigration matters, operational and day to day matters and general administration.

The role works reports to the Manager, Student Administration & Experience or nominee but has autonomy in prioritising and completing tasks. This involves working professionally and co-operatively in a team environment and is ideal for someone who can combine exceptional communication skills and manage a high volume of enquiries whilst maintaining the highest standards of service.

This is a position may require working outside normal hours.

MIT VISION AND GOALS

MIT: A proud history, a confident future

Founded in 1996, Melbourne Institute of Technology (MIT) has provided outstanding, employment-focused degrees in Business and ICT for almost 30 years.

MIT grew to over 4,000 students prior to the onset of the Covid-19 pandemic. Like all higher education institutions, MIT was impacted by the closure of international borders triggered by the pandemic.

Since the reopening of international borders, confidence has returned to the international student market. MIT's high-quality student programs and organisational agility will enable it to renew its growth trajectory, achieve University College status, and lay the foundations for the next decade of success.

Vision

MIT aspires to be one of the leading providers of industry-engaged, employment-focused higher education programs, equipping students with the knowledge, skills, and opportunities to build successful careers.

Mission

MIT inspires students and helps them create their future through employment-focused educational programs. These are developed and delivered in collaboration with industry, and underpinned by excellence in learning and teaching, scholarship and research.

Values

- Excellence;
- Integrity;
- Accountability
- Transformational Change, and
- Agility

MIT's overarching goals are to:

- Become one of the top 20 higher education institutes in Australia for high-quality student experiences and learning outcomes
- Attain Self-Accrediting Authority status during 2023
- Progress towards achieving University College status by 2027
- Capitalise on the reopening of international borders to rebuild student numbers: achieve pre-pandemic EFTSL levels by 2025 and 5-10% growth per annum thereafter
- Achieve student satisfaction and graduate employment outcomes equal to or above industry averages in all courses
- Be renowned for excellence in industry-engaged learning with all students engaging with industry as part of their course
- Continue to deliver outstanding, student-centric support services
- Be recognised as a high-performing employer of choice

MIT ORGANISATIONAL STRUCTURE

MIT business model comprises four (4) key focus areas as guided by its vision: Academia, Finance, Marketing, and Operations. Our organisational structure is designed to ensure each of these areas is fully resourced.
